Liturgical Press, United States, 2013. Paperback. Book Condition: New. 206 x 135 mm. Language: English . Brand New Book. Without question, managing people effectively requires strong leadership. Are these leadership qualities easily teachable? What exactly characterizes good leadership qualities? And what are the significant gender differences between masculine and feminine leadership styles? Abbot Primate Notker Wolf and Sister Enrica Rosanna have each held significant leadership positions, and based on their real-world experience, they clearly examine and answer these questions. Together they establish common mistakes that most people make and explain what it truly takes to become an effective leader in business, politics, school, and family life. This is a book that is beneficial to everyone, even if the reader is not in a leadership role.
