Yes, money is important, but rather than trying to make money to achieve satisfaction, this book teaches you how to first get well within yourself and let the money come to you. Ticket to Life details the reasons why we should emotionally detach ourselves from the old and rather unhealthy monetary systems; and how by doing so, we will experience emotional healing and abundant freedom in our lives. The process of detachment will also let you enjoy a whole new attitude towards money and wealth. Perroulaz has created a process manual that will change the lives of those who commit to applying the techniques and ideas. Specifically, this book guides the reader through the following questions: \* Why is it challenging to achieve real change in life? \* How does the monetary system affect your happiness? \* Why is a connection to the current...
