THE HONEY CONNOISSEUR: SELECTING, TASTING, AND PAIRING HONEY, WITH A GUIDE TO MORE THAN 30 VARIETALS (HARDBACK)

[DOWNLOAD PDF](#)

Black Dog Leventhal Publishers Inc, United States, 2013. Hardback. Book Condition: New. 231 x 175 mm. Language: English . Brand New Book. From honey experts C. Marina Marchese and Kim Flottum comes this comprehensive introduction to the origin, flavor, and culinary uses of more than 30 varietals of honey, from ubiquitous clover to tangy star thistle to rich, smoky buckwheat. Like wine, cheese, coffee, and chocolate, honey has emerged as an artisanal obsession. Its popularity at farmers markets and specialty food stores has soared as retailers are capitalizing on the trend. The Honey Connoisseur teaches consumers everything they need to know about how to taste, select, and use a diverse selection of honey. After a brief explanation of how bees produce honey, the authors introduce the concept of terroir, the notion that soil, weather, and other natural phenomena can affect the taste of honey. As with wines, knowing the terroir of a honey varietal helps to inform an understanding of its flavor. The book goes on to give a thorough course in the origins of more than 30 different honeys as well as step-by-step instructions, how to taste honey, describe its flavor and determine what other flavors pair best with a particular honey. Also included are simple recipes such as dressings, marinades, quick-and-easy desserts, and beverages. Beautifully illustrated and designed, The Honey Connoisseur is the perfect book for foodies and locavores alike. Praise for?The Honey Connoisseur: Of all the near-perfect food we generally take for granted, honey suffers more than most (except for cheese). The Honey Connoisseur lays it all out on the table; Marina Marchese and Kim Flottum tell the whole story including its dark side in an eloquent style. The reader will never look at the honey jar the same way. -- Max McCalman, author of Mastering Cheese, Cheese: Connoisseur's Guide...
