

## Last call from Earth -Stage I, Biological Survival

By Al Herr

Lulu.com. Paperback. Book Condition: New. Paperback. 292 pages. Dimensions: 8.8in. x 6.0in. x 0.7in. In December of the year 2012, a collision of branes creates a rupture in our universe. As a consequence, millions of galaxies separate themselves out and disappear into the night. The solar system accelerates its freezing process. On Earth, a major earthquake opens up a deep hole in the Yucatan peninsula. Expeditions into this hole, miles deep, find the remnants of an ancient civilization several millions of years old. This civilization comes to be known as the Rupturians. With the technological advances of the Rupturians, we learn to build Inter Galactic Teleportation Chambers, which we use to colonize seven planets in the galaxy Ptolomeo Dual Spiral. Over a period of 54 years, we teleport 800 million people to these colonies. But, unexpectedly, without knowing the cause, people in the colonies get their DNA archetypes out of control and become deformed physically, emotionally and mentally. The only salvation is to transplant their souls into bodies created in lab environments. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
