## GOODBYE JUMBO.HELLO CRUEL WORLD

Viking Books, 1993. Hard cover. Book Condition: New. Dust Jacket Condition: New. Robert De Michiell (illustrator). Viking ed. New in new dust jacket. Sewn binding. Paper over boards. With dust jacket. 242 p. Audience: General/trade. From Publishers Weekly Rotund comedian Anderson, who frequently appears on late-night television, knows that "fat jokes" aren't funny. In examining the source of his addiction to junk food, he here expands his search for self-understanding begun in his first book, *Dear Dad*. Comparing himself to the circus elephant Jumbo, he leavens his sad personal journey with wry humor and bits from his comic routines. He notes that his candid evaluations of family relationships facilitate an emotional healing that allows him--as he suggests it will others--to better care for his body. Copyright 1993 Reed Business Information, Inc. From Kirkus Reviews Weightless epiphanies about losing weight from Anderson, professional comedian and bestselling author of *Dear Dad* (1989). The present book focuses largely on Anderson's life before therapy and ACOA, with the prosperous but unhappy young comic having to stand on side-by-side scales to weigh his 360-plus pounds (he suggests at one point that he topped 400). Anderson bemoans the failure of diets to keep his weight off--weight he has lost repeatedly--and determines that his entire family...
