Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A Competitor's Compendium to the Geography Bee has approximately 2,025 questions focusing on the specific regions in the world! With 28 regions, including Southeast Asia, Central America, and Western Europe, this geography compendium is a must for everyone participating in their school, state, and national bees! This geography compendium includes a huge chapter on geographical statistics, including geographic extremes and demographic data that you need to know for the competition. This book even has a mock bee, with Classroom/School Bee Rounds, a model State Qualification test, State Bee Rounds, and a National Preliminary Round! This geography guide even includes all of the questions that were asked in the final rounds of the 2015 National Geographic Bee! This guide is also good for participants in the United States Geography Olympiad and the International Geography Olympiad (iGeo). This guide is also for participants in the North South Foundation's Junior and Senior Geography Bees, with a high amount of questions in the South Asia section for focus on Indian Geography! Participants in the National Geographic World Championship are highly encouraged to use this compendium of geographic information as well. This book is a great guide to help competitors who are trying to win their school bees, state bees, and possibly their national bee!.
