STOCK INVESTING: How To Make Bulletproof Investments - Stock Market Strategies, Passive Income Wealth Creation In the next 10 years, the Stock Market industry will have double-digit returns. That is just a prediction by financial strategists, but there s a great possibility it will come true. Since the recession of 2008, the stock market has come back remarkably fast in every sector. Thanks to its strong performance in 2013, where stocks gained 26.9 - it s biggest jump in the last 16 years, these predictions seem even more reliable. One reason why the market is succeeding is the many people who have begun participation in the Stock Market in recent years. This broader participation also provides greater stability to the values of stocks. In STOCK INVESTING: How To Make Bulletproof Investments - Stock Market Strategies, Passive Income Wealth Creation you will learn: Why you need to invest in stocks to enhance your future prospects Two reasons why you should save before you invest What stocks are and why they increase or decrease in value Two ways to profit from stocks: dividends and capital appreciation The importance of a long-term investment plan The types of stocks you should consider The benefits of investing in index funds It s better to ask yourself Why do I need to invest in Stocks? than How do I invest in Stocks? because this will help you realize your long-term goals. Once you re all set with your goals, it will be easy to learn how to invest. But of course, you need to keep that passion first before diving into the world of Stock Market. This way, you won t...
