Now what? Learn how to launch your book so that it reaches bestseller status. Are you an author who is overwhelmed by the prospect of self-publishing your book? Have you already published a book or two on Amazon, and were disappointed with lackluster sales despite all your hard work? Are you trying to decide between traditional versus self-publishing, and whether you really have the time to do it yourself? If you answered yes to any of these questions, then this book is for you.
