Taking into consideration his importance and impact on the Islamic world, the amount of research done on him seems to be very modest and is difficult to get hold during these times at the moment of writing. In this paper first, the life of Sayyid Qutb is presented and related to the historical events in Egypt and the Middle East in general. After a short summary of some of Qutbs most important writings, an overview of his political ideas, his views of the world and Islam is given. Afterwards his most important single concept of jahiliyyah and hakimiyyah is presented, followed by a summary of Qutbs call for activism and his theological discourse. Finally, I tried to assess the importance and the impact of Sayyid Qutbs live and writings. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
