Paperback. Book Condition: New. Paperback. 82 pages. First let me take the time to say that this is about our Constitution of the United States of America the melting pot for all Americans, to be provided with the fullness of the protection of the laws in this country, but did the fullness protection of the laws melt over to the lower class Or did the Tyrants and Dictators conspire together to take control of the power in this country, to stop the flow of Justice from reaching over to the other sideOr did American drift into a dysfunctional country, not saying that the country was not dysfunctional, but it was balanced with a functional level to keep the dysfunctional level in check. But in todays world the level of balance had been lost and the dysfunctional level have taking over the whole country, which mean the functional level have been over powered by the dysfunctional level Do we have a double standard laws one for the citizens of America and the some laws will be applied differently for the justice authorities, who are Judges, Lawyers, District Attorneys, Law Enforcement Agencies, Government high Officials that have control over their staff, Congress and Senate OfficialsThe American people should take the time out to think real hard of why would our leaders make decisions with the country life that put our children in jeopardy, it might give us a better understanding of how our country got in the predicament that it is end. First we have to try and figure out why our leaders would give a pedophile that destroy children lives and break all communities down, to get two and three chances to come back out just to repeat the act over and over again to our children and communities. But refuse...
