Do you ever question why it is that almost every Church meeting has the same basic structure to it? Have you ever felt like your gifts and abilities are not able to be used in the Church meeting? Do you ever wonder why it is such a challenge to get believers to work together, do ministry together, or just enjoy fellowship with each other? Have you ever felt uneasy with the current state of institutional Christianity? Have you ever thought that the Church needs a reformation? If so, then this book is for YOU! Within each page, you will discover GOD S ORIGINAL THOUGHT concerning His Church. RETURN TO THE BEGINNING will help you discover: The foundation of the Church The definition of the local church The way in which the local church was created to meet The means by which division occurs The solution to our denominational problem The way each member should function in a meeting And so much more! THIS IS THE BEGINNING of a three-volume series that will redefine our current understanding of the Church according to the original thought of God which is found throughout the New Covenant.
