Creative Thinking (Paperback)

By Marry - Kate Reed, Austin Reed

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Unleash your creative gene with positive thinking. Everyone has some form of creativity in my opinion. Whether it be a famous Artist, or a Musician, or whether it be a mother of 4 who tends to a garden in her back yard, creativity has no boundaries or set rules as to who gets declared to be called creative. I never made one of my discoveries through the process of rational thinking Albert Einstein Creative people often tend to be a bit scatter brained, or they may seem as if they are off kilter from what the rest of the world perceives to be normal. Most creativity seems to rear it s head during the most inopportune times, such as in the middle of the night when you are in a nice deep sleep, dreaming of counting sheep who are hopping along over a picket fence. Or smack dab in the middle of an important meeting at your hectic 9 to 5 job that you have in order to put food on the table...
