

## Widow s Dozen (Paperback)

By Marek Waldorf

Turtle Point Press, United States, 2014. Paperback. Book Condition: New. 180 x 114 mm. Language: English . Brand New Book. Marek Waldorf's deeply original stories inhabit the reader like demons who won't be exorcized. He implants alternative realities inside ordinary ones and takes them for granted--as do his characters. If the purpose of art is to make the world strange again, this is brilliant art. And the writing is beautiful, the shapes of the sentences, the quick back and forth movements of attention, the pitch-perfect diction, the inventiveness. Readers will be challenged--and rewarded. -- John Vernon Subtle lives--nostalgia lit, lovingly textured--bridge currents in catastrophe from impossible to remote to inevitable. A paean to Cheever's lost world before the storm: the illusion of a country divided evenly between the lights of catastrophe and repose.

### Reviews

*I actually started looking over this publication. It really is rally interesting through studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Dana Hintz

*Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You won't really feel monotony at any moment of your time (that's what catalogues are for concerning when you ask me).*

-- Elisa Reinger
