Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Library Partners Press, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Poems. This collection of fifty-three poems explores eternal themes of redemption, creation, relationship, wisdom, and the conundrums of faith. From desert places to night-draped sky, from macro to micro-cosmos, from incarnation to cross to throne and the edge of wonder; you'll journey with the early Judeo-Christian patriarchs to victims of the last century's genocide; some verses may awaken your own unspoken yearnings as you read of longing for God and his unmerited love for humans. Most of all the contemplative reader will find here fresh reflections to stir up awe and curiosity. You are invited now to enter the Land Called God, to be still and to know that He is God.
