Taken from our bestselling Explore and Rise Shine series of math workbooks, Explore Math Focus is designed to provide your students with instruction and practice on targeted areas of their math curriculum. These workbooks present the most important mathematics concepts in clear, concise lessons filled with definitions, explanations, and step-by-step examples. Choose from separate workbooks for Numbers and Operations; Geometry and Measurement; or Algebra and Data Analysis. Each grade-level workbook contains numerous separate in-depth lessons covering all aspects of these subject areas. Each concept is presented in straightforward language, with several examples. Every lesson is followed by an extensive practice section designed to reinforce the lesson. This new series is a great way to give your students extra help in the areas in which they most need it. Perfect for review and remediation, a great way to fill in gaps in their learning! Also wonderful for home schooling! Grades 3-8.
