Total non-farm private employment fell from 111.6 million in February 2001 to a trough of 108.4 million in July 2003. Job loss -- declines in employment -- is one of the most important macroeconomic problems facing policymakers, both in terms of its economic and social cost. But what is often missing from the policy debate is a distinction between...

## Reviews

*It is a single of the best publication. Sure, it is play, continue to an interesting and amazing literature. You will not really feel monotony at whenever you want of your time (that's what catalogues are for about in the event you question me).*

-- Sonia Block I

*This is the greatest pdf i actually have go through right up until now. It is actually packed with knowledge and wisdom I found out this book from my dad and i advised this publication to find out.*
