Aryan Books International, New Delhi, India, 1999. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Encountering the Indian (Contemporary European images of India) is a collection of articles and contributions from different disciplines and different parts of the world and come after several years of debates around the construction of image of the Indian other in contemporary Europe. This volume brings together varied experiences and views bound in a common frame of reference and makes an attempt to reread those cultural texts, which emerged during India's freedom struggle or after the dismantling of the empire. The texts included, are drawn from literary and sociological fields, travelogues and electronic media including films and documentaries. Image is not viewed here in its meaning of representing an object/person as an optical reflection. It may also serve as a theme, motif or symbol and is free from any notable consistency. European Indian images are unstable and anamorphic, therefore seems to consolidate the image of the European self. Printed Pages: 166. Size: 15 x 22 Cm.
