By Sr James H Hayes

Createspace, United States, 2011. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Over 5.5 million people per year must face the prospect of having to choose a nursing home. Few of them know anything about the world they are about to enter. Many will find themselves floundering for a solution. Where can we find the care we need? How are we going to manage the expense of long term care? Do we have to go into a nursing home? Will home health care work out? What are the alternatives? How do I find the best place for mom? How do I know if a specific nursing home is a good place? In an attempt to answer these questions, many people will rely upon advice from friends, clergymen, and family physicians. Some rely on the recommendation of placement services that purport to screen and rate health care facilities. The nature of this decision is one that will have long-lasting, profound effects upon you and your loved one. You will want to make the right choice the first time and avoid costly, even tragic mistakes. For that reason it is best not...
