

## Cutaneous Medicine, Vol. 1: A Systematic Treatise on the Diseases of the Skin (Classic Reprint) (Paperback)

By Louis A Duhring

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Cutaneous Medicine, Vol. 1: A Systematic Treatise on the Diseases of the Skin The present work has been written to take the place of the author's former Practical Treatise on Diseases of the Skin, which for several years has been out of print. The favorable reception accorded to that work by the medical profession everywhere as attested by the many thousand copies published, by the press in this country and abroad, and by its translation into French, Italian, and Russian, has led the author to believe that a larger and more comprehensive treatise on the same subject might be equally well received. The material dealt with in the present volume has on all sides been approached from a practical stand-point. It has been the aim of the author to adhere closely to the practical aspect of the subject, supported by science and by experience. The work, as a whole, rests on clinical observation supported by pathology and pathological anatomy. The principles of cutaneous pathology and therapeutics have been put forth upon conservative lines in the...

### Reviews

*Complete guideline! Its this type of great read through. it absolutely was written quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be the very best book for at any time.*

-- Joshua Gerhold PhD

*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.*

-- Meagan Roob
