### Reviews

*Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

This are very unique and thought out writings that go within deeper soul limits. You will get immersed in the moment, time and place feeling the liveliness and intensity yet to come. These poetic stories are realistic and vivid; it will keep you in anticipation. These are my chronicles of truth with lips unsealed of my independent, with the power of speech, vision of the past, present and future. My empathy shows in my gestures and poetic narrative, I am defiant to shut up and consume the silence. These poems are rough, sincere, wise, sensitive, poetic, direct, and heartbreaking, tear jerking and trustworthy, I faithfully promise to roar; I verbalize tenderly and vocalize the realism of society issues by being a realist.
